hands-on classes including camp standards like, "Astron-

omy Mystery Tour", "Real Life CSI", "Computer Program-

ming", "Robotics", "Model Rocketry", and "Engineering Ex-

plorations". The course offerings vary each year based on

the instructors' interests and talents.

They are announced in early spring on our website.

Campers select their top course preferences.

Camp Activities

In addition to excellent classes, campers will also have the op-

portunity to participate in a variety of activities in the

afternoons. These activities include camp

classics like a mega waterslide, capture the flag,

board games, Monster Night, and a camp talent show.

swimming, NERF wars, duct-tape art, tie dye, rock climbing, board games, and more. There is also quiet time for campers to write home, read, play board games, or just relax. We also have an evening program each night including Family Olympics,

Science and Mathematics (MSSM) in beautiful Limestone, Maine

Can I Go for More Than One Week?

How Much Does it Cost?

For overnight campers, the cost is \$800. This includes room, board,

and all expenses for classes. There is also an option to attend as a

day camper which is \$450. The only other expense is for a chap-

eroned bus that travels along I-95 stopping at designated stops

between Limestone & South Portland. The bus can also return

campers home the following Saturday. Space is limited. (\$30 each

Is Financial Aid Available?

Yes. We offer \$375 and \$250 scholarships for those who qualify. Please

contact us for more information about affording camp. We want you

here and will do our best to make that happen.

Campers ages 11, 12, 13, and 14 can stay multiple weeks.

Our camp is located on the campus of the Maine School of

When Can I Apply? Applications open in mid-November and some weeks usually fill up around April, so apply early to save your spot. There is an early bird discount for those that register before March 15th. Class selection is assigned based on application date.
